Abbreviated Course Title	Corp Financial Institutions

<p>Program Goals</p>	<p>The PsyD program will serve as a doctoral extension of the current MA in Educational Psychology/Professional Diploma (PD) in school Psychology program. The current program is 74 credits leading to certification as a school psychologist at the professional diploma level. The program is designed to provide students with a research focus, i.e., to solve problems with its</p>

Committee	

<p>Program Goals</p>	<p>The goals of the Program are:</p> <ol style="list-style-type: none"> 1. To prepare students for professional career in the field of diplomacy and international relations. (PG1) 2. To develop graduates with high level competency skills and ability to articulate, research, and analyze the shifting dynamics of the global security landscape. (PG2) 3. To setup an outreach and collaboration program in cooperation with NJCU's Institute for Dispute Resolution, with other universities, colleges, and institutions, for an effective multilateral training platform in communication and professional negotiation. (PG3) 4. To establish a resource hub for collaboration and interaction in identifying, processing, and mitigating threat
