Horizon MyWay FSA: How it Works

How a Medical FSA Works

Decide how much you want to set aside for medical, dental, orthodontia and vision costs within the plan year.

- Throughout the year, the amount you select will be withheld pretax from your pay and put into your Medical FSA.
- Your total FSA contribution is available from day one, even if it has not all been deposited into your account.
- Pay your out-of-pocket medical bills using a Horizon MyWay Visa® Debit Card or get reimbursed by submitting a claim online

How a Dependent Care FSA Works

Decide how much you want to set aside for before and afterschool care, babysitting, summer day camp and child and adult day care costs within the plan year.

- Throughout the year, the amount you select will be withheld pretax from your pay and put into your Dependent Care FSA.
- Once the money has posted to your account, it's ready to use. Simply submit receipts for dependent care costs and get reimbursed up to the available balance in your account.
