

**Department of Earth and Environmental Science  
Minor in Geoscience and Geography**

New Jersey City University currently offers an 18 credit minor in *Geoscience* and an 18 credit minor in *Geography*. Our minor in Geoscience is principally geared towards physical environmental processes while our minor in Geography bridges the gap between the social and natural sciences.

<b>Degree Map for Students minoring in Geoscience (Total 18 credits)</b>		
<b>Semester 1</b>		
<b>Course</b>	<b>Name</b>	<b>Credits</b>
EESC 112	Intro to Geology	3
